This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

ANIMA

Miserere mei, Deus, secundum magnam misericordiam tuam. Et secundum multitudinem miserationum tuarum, dele iniquitatem meam. Amplius lava me ab iniquitate mea: et a peccato meo munda me. Ecce enim veritatem dilexisti: incerta et occulta sapientæ tuæ manifestasti mihi.

CORO

Proficiscere, anima christiana, de hoc mundo, in nomine Dei Patris omnipotentis, qui te creavit: in nomine Jesu Christi, qui pro te passus est: in nomine Spiritus Sancti, qui in te effusus est; in nomine Angelorum, Cherubim et Seraphim, et omnium Sanctorum: hodie sit in pace locus ejus et habitatio tua in sancta Sion.

ANIMA

Averte faciem tuam a peccatis meis et omnes iniquitates meas dole. Asperges me hyssopo, et mundabor: lavabis me, et super nivem dealbabor.

CORO

Libera, Domine, animam servi tui, sicut liberasti Noe de diluvio. Amen. - Libera, Domine, animam servi tui, sicut liberasti Abraham de Ur Chal dæorum. Amen. - Libera, Domine. animam servi tui, sicut liberasti Danielem de lacu leonum. Amen. - Libera, Domine, animam servi tui, sicut liberasti David de manu Goliæ. Amen.

ANIMA

Ne projicias me a facie tua; et Spiritum sanctum tuum ne anferas a me. Redde mihi lætitiam salutaris tui: et spiritu principali confirma me.

CORO

Miserere, Domine, gemituum lacrimarum ejus. Liberet te a cruciatu Christus qui pro te crucifixus est. Liberet te ab æterna morte Christus, qui pro te mori dignatus est. Constituat te Christus filius Dei vivi intra paradisi sui semper amœna virentia.

Digitized by Google

ANIMA

Libera me, Domine, de morte æterna in die illa tremenda. Tremens factus sum ego et timeo dum discussio venerit atque ventura ira. Cor meum conturbatum est in me, et formido mortis cecidit super me.

CORO

Kyrie eleison. Christe eleison.
Kyrie eleison.
Sancta Maria, ora pro ea.
Sancte Abel, ora pro ea.
Sancte Joseph, ora pro ea.
Sancte Petre, ora pro ea.

ANIMA

Orate pro me.

CORO

Sancte Laurenti, ora pro ea.
Sancte Francisce, ora pro ea.
Sancta Lucia, ora pro ea.
Sancta Cecilia, ora pro ea.
Sancte Benedicte, ora pro ea.
Omnes sancti Dei, intercedite pro ea.

ANIMA

Omnes sancti Dei, intercedite pro me.
Libera me de morte æterna.

CORO

Propitius esto, parce ei, Domine.

ANIMA

In manus tua, Domine, commendo spiritum meum.

CORO

Maria, Mater gratiæ,
Mater misericordiæ,
Tu nos ab hoste protege,
Et mortis hora suscipe.

(Anima passa)

CORO

In paradisum deducant te Angeli: in tuo adventu suscipiant te Martyres, et perducant te in civitatem sanctam Jerusalem. Odie sit in pace locus ejus, in sancta Sion!...

TRANSITVS ANIMÆ

ORATORIO

per Mezzo-Soprano e Cori, con accomp.to d'Orchestra

DI

LORENZO PEROSI

Riduzione per Canto e Pianoforte

Giunta l'Anima al passaggio supremo implora la misericordia divina, mentre il coro canta le preci degli agonizzanti. L'intercessione della Vergine Santissima è invocata da un coro di soprani e contralti. L'Anima passa alla eterna vita, gli angeli la conducono a Dio. ***In Paradisum deducant te Angeli, Hodie sit locus tuus in pace.***
